## What people are saying about the FedEx SmartMAP Expo:

"I accomplished more in one day at the **FedEx SmartMAP Expo** than I normally do in four days at other events."

**Mark Morel, President, Ballard Brass & Aluminum, Inc., Seattle**

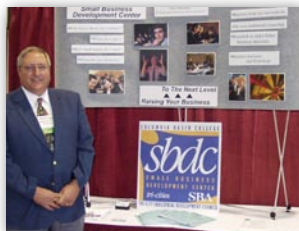

"I was very surprised by the number of leads I received from exhibiting at the **FedEx SmartMAP Expo**. I plan on encouraging manufacturers in the Boise area to exhibit at future Expos."

**Lisè Stewart, Managing Partner, Galliard Group, Boise**

"If a manufacturer is not exporting they are not in the game. What we really like about the **FedEx SmartMAP Expo** is that we not only make great domestic contacts to grow our business, but also network with people and organizations that help us develop export markets. Participation in the Expo is one of the best investments we make."

**J.D. Sitton, President, Chief Executive Officer, Infinia Corporation, Kennewick**

**If you are a  
manufacturer or sell
